

From Raewyn King Petanque Club Captain

Welcome to the 2011 - 12 season.

Club day, Sunday afternoon, has seen a loyal number of players, averaging 17-20.

Also on Wednesday and Friday mornings a few club stalwarts enjoy a couple of games.

This season will include the usual Singles, Doubles and Triples championships

and a new tournament called, "the Friendship Tournament" This has been brought

about because a new club has sprung up in St. Heliers with a good number of members

and APA are keen to have them in the fold; with Epsom's great facilities,

we were approached for the use of our premises which will benefit our club.

The other Open Senior Tournament is in Jan. 2012. To play in these last **two** tournaments you must belong to APA.

All the best for the coming Petanque Season
